Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: After searching for 30 years to find a
medication that works, I finally found it at
Madison Pharmacy in Madison, Wisconsin. Please
do not take away my means of obtaining an
individualized compounded prescription that
works for me.
